**FOSTER FAMILY NETWORK FOSTER FAMILY AGENCY CONTRACT COMPLIANCE
MONITORING REVIEW**

The Department of Children and Family Services (DCFS) Out-of-Home Care Management Division (OHCMD) conducted a review of Foster Family Network Foster Family Agency (the FFA) in January 2014. The FFA has one licensed office in the Fourth Supervisorial District and provides services to County of Los Angeles DCFS foster children and youth. According to the FFA's program statement, its mission is to offer "long/short-term foster care and placement for children working toward family reunification and permanency."

At the time of the review, the FFA supervised 57 DCFS placed children in 31 certified foster homes. The placed children's average length of placement was 24 months and their average age was 14.

SUMMARY

During OHCMD's review, the interviewed children generally reported: feeling safe at the FFA; having been provided with good care and appropriate services; being comfortable in their environment; and treated with respect and dignity. The certified foster parents reported they were supported by the FFA staff in their efforts to provide care, supervision and service delivery to the children placed in their homes.

The FFA was in full compliance with 10 of 11 sections of our contract compliance review: Licensure/Contract Requirement; Certified Foster Homes; Facility and Environment; Education and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; Discharged Children; and Personnel Records.

"To Enrich Lives Through Effective and Caring Services"

OHCMD noted a deficiency in the area of Maintenance of Required Documentation and Service Delivery, related to the FFA not obtaining signatures on the Needs and Services Plan (NSP) in a timely manner.

Attached are the details of our review.

REVIEW OF REPORT

On February 5, 2014, the DCFS OHCMD Monitor, Thomas Manning held an Exit Conference with FFA representatives: Monica A. Quinones, Deputy Executive Officer/Chief Operations Officer and Sandra Nash, Southern Regional Administrator. The FFA's representatives: agreed with the review findings and recommendations; were receptive to implementing systemic changes to improve their compliance with regulatory standards; and agreed to address the noted deficiency in a Corrective Action Plan (CAP).

A copy of this compliance report has been sent to the Auditor-Controller and Community Care Licensing.

The FFA provided the attached approved CAP addressing the recommendation noted in the compliance report. OHCMD will verify that this recommendation has been implemented and provide technical assistance during our next visit in to the FFA in September 2014. An addendum to the report will be submitted 30 days after the completion of the review to address CAP implementation.

**FOSTER FAMILY NETWORK FOSTER FAMILY AGENCY
CONTRACT COMPLIANCE MONITORING REVIEW
FISCAL YEAR 2013-2014**

SCOPE OF REVIEW

The following report is based on a "point in time" monitoring visit. The compliance report addresses findings noted during the January 2014 review. The purpose of this review was to assess Foster Family Network Foster Family Agency's (the FFA's) compliance with the County contract and State regulations and included a review of the FFA's program statement, as well as administrative internal policies and procedures. The monitoring review covered the following 11 areas:

- Licensure/Contract Requirements,
- Certified Foster Homes,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Educational and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For purposes of this review, seven children were selected for the sample. The Out-of-Home Care Management Division (OHCMD) interviewed all seven children. OHCMD reviewed all seven case files to assess the care and services they received. Additionally, five discharged children's files were reviewed to assess the FFA's compliance with permanency efforts. At the time of the review, no placed children were prescribed psychotropic medication.

OHCMD reviewed three certified foster parent files and five staff files for compliance with Title 22 Regulations and County contract requirements. Interviews were conducted with three certified foster parents to assess the quality of care and supervision provided to children.

CONTRACTUAL COMPLIANCE

OHCMD found the following area to be out of compliance.

Maintenance of Required Documentation/Service Delivery

- The FFA was late in obtaining the signatures from the certified foster parent, foster child, and Department of Children and Family Services Children's Social Worker on one NSP.

During the course of the compliance review, the OHCMD monitor met with the FFA's Southern Regional Administrator and went over the problematic NSP. The FFA's Southern Regional Administrator stated that the FFA would provide retraining to the FFA social work staff and that the FFA would continue efforts in training to reach full compliance. The FFA submitted

documentation that a NSP in-service had been provided to staff responsible for developing the NSPs on March 5, 2014.

The FFA provided the attached approved CAP addressing the recommendation noted in this compliance report. OHCMD will verify that this recommendation has been implemented and provide technical assistance during our next visit to the FFA in September 2014. An addendum to the report will be submitted 30 days after the completion of the review to address CAP implementation.

PRIOR YEAR FOLLOW-UP FROM DCFS OHCMD's FOSTER FAMILY AGENCY CONTRACT COMPLIANCE MONITORING REVIEW

The OHCMD's last compliance report dated July 30, 2013, identified 14 recommendations.

Results

Based on OHCMD's follow-up, the FFA fully implemented all 14 of the previous recommendation for which they were to ensure that:

Re: CAP Response to DCFS Review

The following Corrective Action Plan (CAP) is in response to DCFS review conducted at ChildNet Foster Family Network on 1/16/2014.

Finding #1: Needs and Services Plan (NSP) signature dates were late for foster child Rain Czekus. Foster Family Network (FFN) Director, Sandra Nash, LMFT provided training to staff on 1/27/14. This training was on the NSP. It focused on the required timelines, including but not limited to the due dates for all parties signatures.

A follow up training was conducted on 3/5/14 to reiterate the NSP requirements as it relates to timelines for the due dates of the document and signatures.

I have attached the staff's signatures for both of the above noted trainings.

If you have any questions, please call me at 562-492-9527 or email me at snash@childnet.net.

Sincerely,

Sandra Nash, LMFT
